DATE OF IN

THIS IS UNEVALUATED INFORMATION

25X1

1. [redacted] an airfield [redacted] three kilometers southwest of Spisska Nova Ves N 48-57, E 20-347 and 200 m. west of the road from Spisska Nova Ves to Dedinky R-49, D-667 Overlay, Pt. 27. The field was approximately 700 x 3,000 m. in size and could be extended to the southwest. There was one runway which [redacted] was concrete because of its layout and construction. It was 2,500 m. long northwest to southeast; it appeared to be about 550 m. wide at the southeast end but only about 250 m. wide at the northwest end Sketch, Pt. 17. The airfield surface was grassy and level. There were four hangars Sketch, Pts. 3, 4, 5, and 6 and one other building Sketch, Pt. 87. The only real obstructions to the airfield were the buildings in Spisska Nova Ves and some trees about eight meters high one kilometer southwest of the airfield.

25X1

2. [redacted] one ME-109 at the end of the runway with the Czechoslovak insignia painted on the empenage. [redacted] Air Force personnel in the caserne area Sketch, Pt. 117 [redacted] they were stationed at the airfield. [redacted] the caserne entrance Sketch, Pt. 107 was guarded by two Air Force guards armed with submachine guns. [redacted]

25X1

Legend to Unidentified Airfield

Point #1. Runway.

2. Fence: steel mesh, two meters high, it ran along the south and portions of the east and west sides of the field.

- 3, 4, 5, & 6. Hangars: [redacted] these hangars [redacted] were painted gray and were 40 x 25 x 5 m. in size with dark green curved roofs.

25X1

25X1

7. Entrance: this was the main entrance to the field and consisted of a steel mesh gate six by two meters in size. [redacted] this entrance was unguarded.

25X1

8. Building: a five-story, gray, stuccoed building with a light green, gable-type roof. The overall dimensions of the first three floors were larger than those of the upper two floors. The lower portion of the building was about 8 x 8 x 10 m. in size while the upper portion was 6 x 6 x 10 m. On the roof was an antenna eight meters high. The uses of this building were not known to me.

9. Road: a two-lane dirt road six meters wide which led from the Spisska Nova Ves- Dedinky road [Pt. 15] to the airfield.

10. Caserne Entrance: this entrance led to an unidentified caserne area and consisted of a railroad-type gate.

11. Caserne Area: [redacted] it was a caserne area for the Air Force. This entire area was enclosed by a steel mesh fence two meters high which was situated on top of a stone wall one meter high. [NOTE: This area was larger than shown and contained many more buildings.]
